TOWER 1986

I urge you, in view of God's mercy,
to offer your bodies as living sacrifices,
holy and pleasing to God,
which is your spiritual worship.

The Annointing

And in the middle of soup formalities
just after the awkward exchange
of hors d'oeuvres and talk of theology,
the painted brass cat
stood there swaying loosely in the doorway,
her lips pouting bloody drops of ruby,
eyes swollen and swirling a sea of aqua and emerald
lined into slits.
Hot, spicy air mingled in the stifled gasps
as Pharisees dabbed their open mouths with four-cornered linen
and spoons stopped stirring.
They watched the gaudy gorgon move her way solemnly through
tables,
coarse hands cupped close to her
holding an alabaster vile.
Her eyes spilled over black and blue streams
as she drew nearer
and nearer to Jesus who held her
with a steady flicker in his gaze.
Falling to the stone
she broke, the tender jar
a costly reasing of precious perfume,
her stain.
Fresh flowed her heart's flood at his feet,
bathed in oil and tears, caressed and sponged with her mane.
Kissing tenderly his feet, this cleansing...
left her sweet opalescent white.

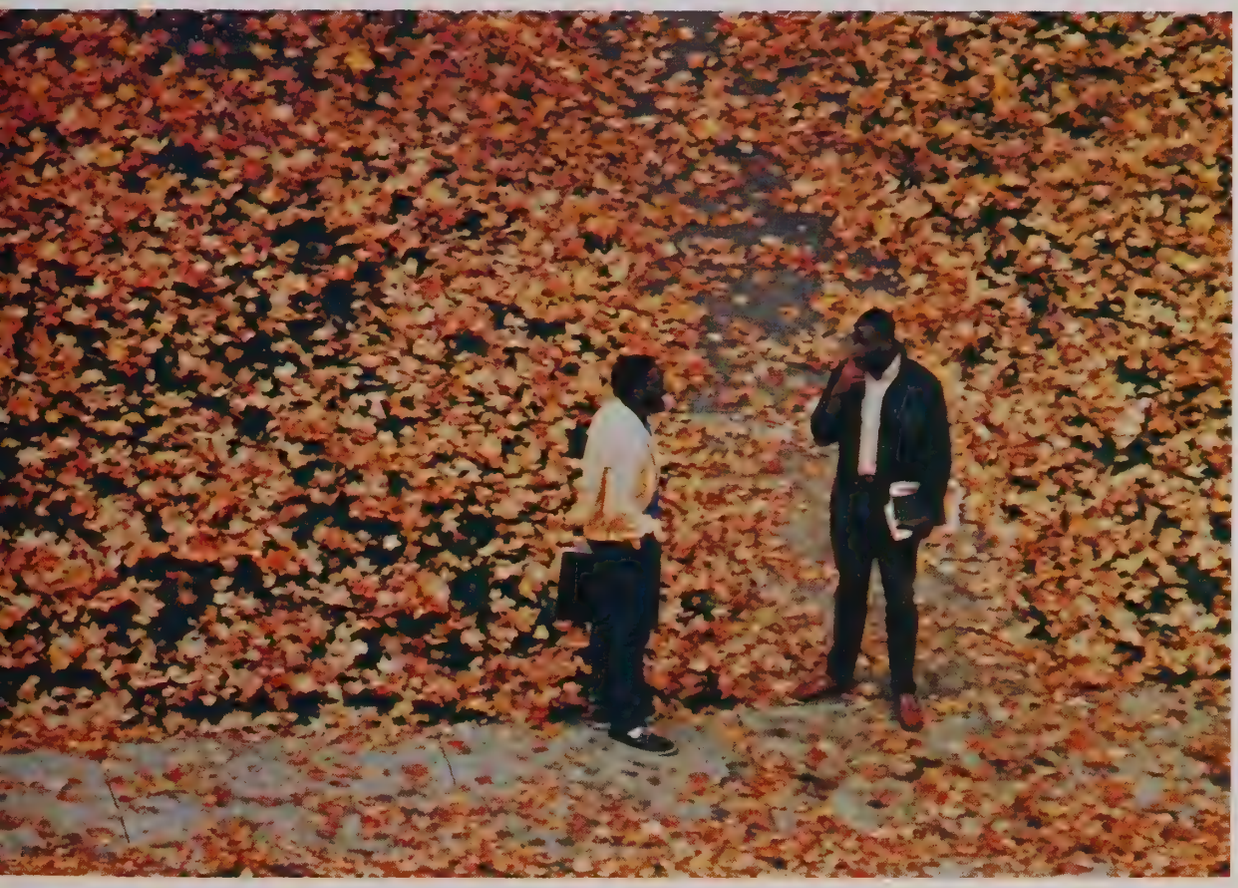
— Lisa
Swanson



We stared each
and other
at a linear spread, laid out for tomorrow.
It was something new
we could reproduce later when we needed to remember.
The fierce hope melted before us:
The sun's balding-orange head
became one with the hill's
pale blue bedding.
Lies down, the tip of orange-slice,
a sliver
a hair.
then a glow
leaving flaming, blood-melon
peach-melba push-up-popsickle sky
periwinkle
dotted with an occasional pig chasing mice
streaking mad,
then milk spilling.

That color fades now
is gone
save a single star twirling taut-stringed.
Gone behind shivering lights of towns.
It hides until tomorrow's thaw.

DR HERBERT JACOBSEN

DR DEREK CHIGNELL

Dedication

It takes certain qualities for an individual to gain respect of others. These include integrity, honesty, the willingness to listen, to befriend, and to share openly, especially with students. It is demanding for a professor to fulfill his teaching duties, be a good family man and encompass all these qualities.

Dr Derek Chignell and Dr Herbert Jacobsen have demonstrated their willingness to share themselves: their struggles and victories in their Christian lives with their students. It is to these two respected men, respectively the chair of the Chemistry and the Bible Department, that the TOWER 86 is dedicated. Dr Chignell and Dr J, thank you for being honest and open with us, we are proud to know you both.

Wheaton in Aspen

Aspen gives students who wish to pursue musical studies on an intensive level a chance to learn from world-renowned musicians at the Aspen Musical Festival. This year nine students and three faculty took part in one of the most extraordinary experiences of their lives. Even with classes by Wheaton faculty, performance instruction by Festival faculty, and frequent nightly concerts, we found time to enjoy the breathtaking scenery of the Rockies on hiking and camping trips into the surrounding mountains - a thrill for those of us whose concept of "heights" was characterized by the upper deck at Coniskey Park! All in all, Aspen was a special time of spiritual growth for all of us as well as a once-in-a-lifetime opportunity to learn the finer points of hot tub etiquette.

An absolutely ripping time!
It started with t.p., water buckets,and a penny for every door; Student Agonistes; the British Top Ten; Are we having fun yet? And London - Cora, did you bring your parachute? vintage British weather; tubes, queues, and loos; indulging in meaningless hedonism; afternoon jogs with Dr. Ryken; Youth Hostel food disguised with ketchup and proper tea and scones; the archetypal rose; highhearted jousts; interminable bus rides on the wrong side of the road - Karyn wins again; Hey Bronc, who won Wimbledon? Five minutes on Dover Beach; castles, cathedrals, castles, cathedrals; a passion for runners' legs; beans on toast; bedtime stories by Tumnus at St. Anne's; Frisbee; Keep Off the Grass; Mind Your Head; Way Out'; evensong with choirboys; Castleton Sunrise; the logic is impeccable people; what's the literary significance here? Must have something to do with Milton; reading in the tub; profs go punk; sheep; And let me gaspingly say - Thanks guys!

European Broadcasting Systems

European Broadcast Systems — sounds like a technical course,doesn't it? Actually it was three wonderful weeks in Europe — one week in Holland and two in England — to analyze and compare the various broadcast systems. Each day of the program proved to be a real learning experience for the ten students. We were given lectures by prominent British and Dutch producers; toured places such as the world renowned BBC and Coventry Cathedral; and were even given a surprise lecture by Brother Andrew.

We were required to keep a journal of what we learned, and watch as much TV as possible. (Can you imagine watching Magnum P.I. dubbed in German? Tom Selleck didn't seem so attractive speaking German.)

I left Europe with a lot of happy memories and a greater understanding of broadcasting. But most importantly, I returned home with a strong desire to apply what I've learned to Christian Broadcasting.

"Leadership begins with servanthood. You cannot be a leader without being a servant — the two things are inseparable. This summer at Honey Rock I learned what service is all about: an unselfish giving of yourself even when you don't want to, when others don't deserve it, and when you have no obligation for doing so. Christ's command to 'deny yourself' became real for me."

— Doug Wall

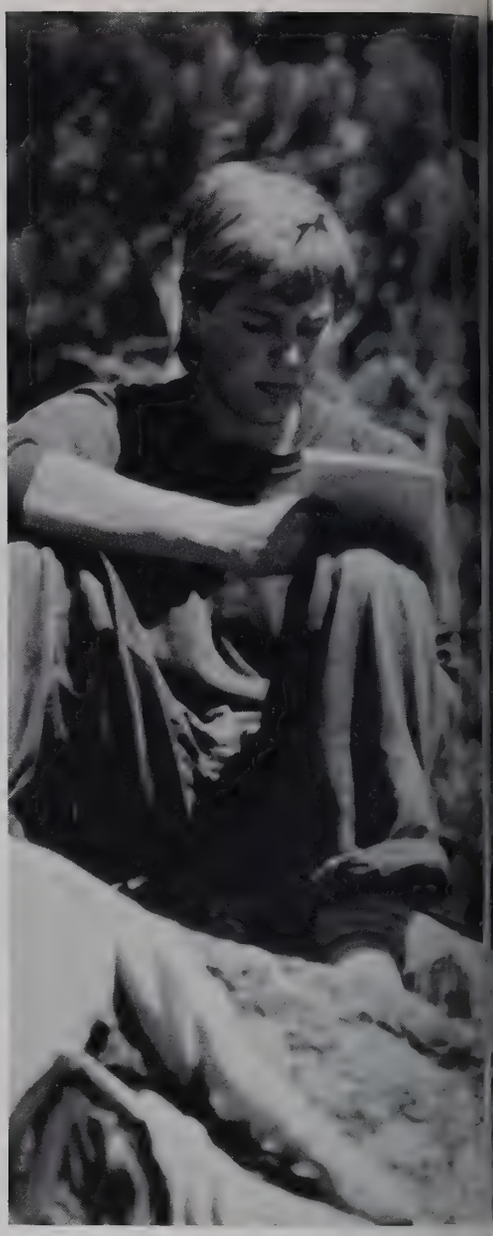
"I can't begin to express the joy thirty two smiling campers brought me. Somehow they made me forget the hours spent planning, the buzzing biting of the mosquitos during the wilderness trip, the environmental mid-term I could have done better on, and the kayak tipping in water that wasn't much above freezing. Outdoor Education is a real ministry."

— Tami Rench

Honey Rock

"Leading a High Road trip brought total faith and dependence on God. We can plan trips but it is God who uses our plans with unexpected experiences to challenge and stretch each individual — including me as a leader. Besides the leadership skills that I can use and apply anywhere, God also showed me the meaning of unconditional love and servanthood.

— Lisa Holmstrom



"In view of High Road and my experienc with reality, having a good attitude, makir the best of things, being content, I feel I ca now give people an answer to how I am goir to live life to its fullest...by facing life head o by being the best God has made me to be, ar by being content."

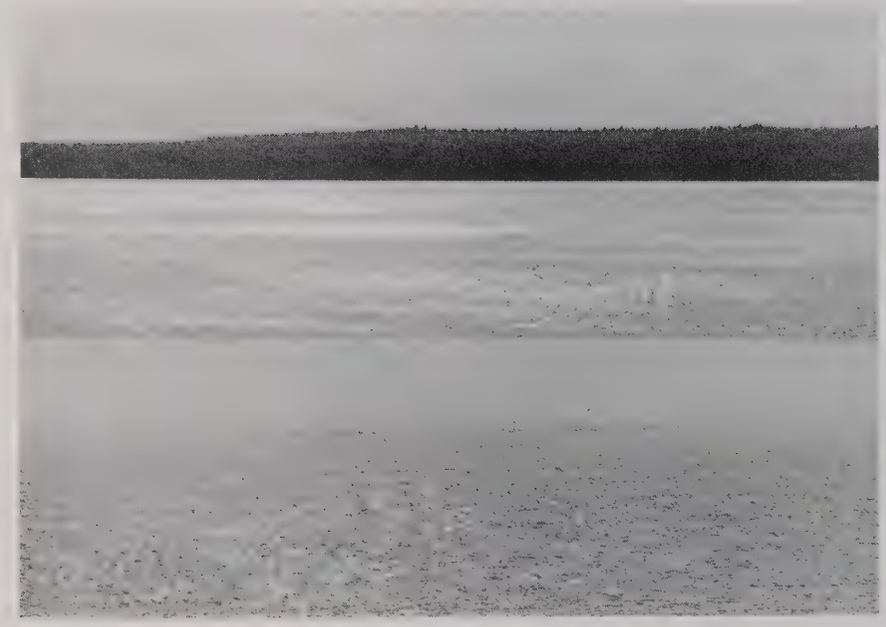
Black Hills



Ah yes, the Black Hills — where life ran on "Bruce Time", where Aunt Jemima, sunglassed and hypothetical questions meant something, and where we keyed plants and insects like so many budding Linneaus. We contemplated the possible course of our destinies: "What do you want to do with your life? I WANNA KEY!" We wrestled not with deep questions of theology, but rather with the life-impacting "Is it in the herbarium?" But alas, the question was moot. We logged many miles in the van, to the Badlands and best of all to Yellowstone. We stalked drooling bison, prairie dogs, and the plaid-billed yang bird. We survived the hard work and always managed to fit in after-dinner volleyball. There were also adventure packed sidetrips into Rapid City. But what can compare to those glorious nights sleeping under the stars, steam-rollering ourbuddies? Yet what we learned from cyanide jars and twenty pound textbooks was nothing compared to what we learned from Paul Frederick's sobering accident. Through that God's power left an indelible mark on each of our lives. The Black Hills: the work, the stillness, the evidence and awe of God's work — all blend into a rich memory for our Summer of 1985. Quite frankly — it was magnificent!

INTERNATIONAL STUDY PROGRAM

ISP was much more than classroom learning about the economics and governments of the Soviet Union and Europe. Instead, the summer was one of experiencing these disciplines by actually seeing The Kremlin, speaking with a PM in the British Parliament, and visiting the Nestle Corporation in Switzerland. Through these and many other opportunities, questions were answered and many new ones raised as to our individual place in this complex world. Our world conscience was enhanced. Together with our questions and fun times, none of us will ever forget this summer.

One finds "HNGR interns" year-round spending six to twelve months in the Third World for a "semester" of experiential education. Internships merit such descriptions as:

Exploratory study of the acceptance of preventive health care in the Yamba tribal group, Cameroon, Africa.

Research/implementation of the best way to supply potable water to a Manam Island village, Papua, New Guinea.

Study in cognitive styles of Vietnamese and Cambodian refugees learning English as a second language, refugee center, Philippines.

"Cultural sensitivity, participation in local life, encouragement of indigenous resources and inevitable modification of ideals" are key vocabulary phrases in the HNGR experience, one that deeply affects the thinking of those who go and can offer much to "global awareness under the tower."

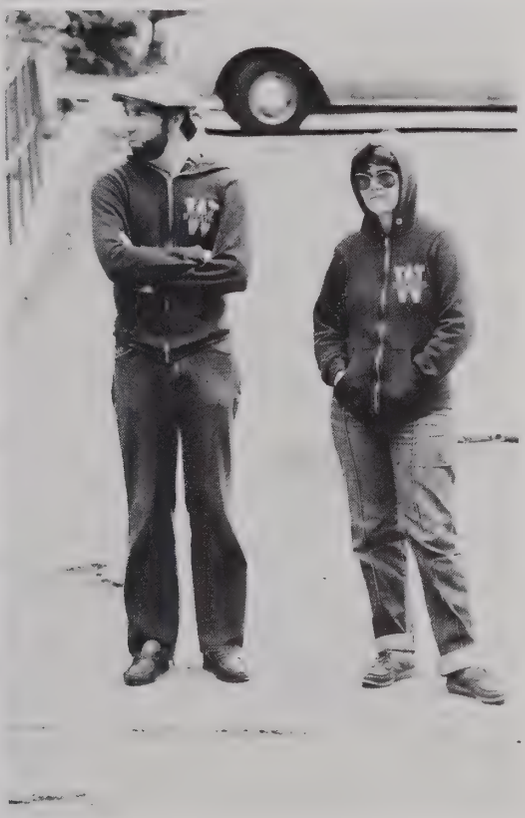
GRADUATION

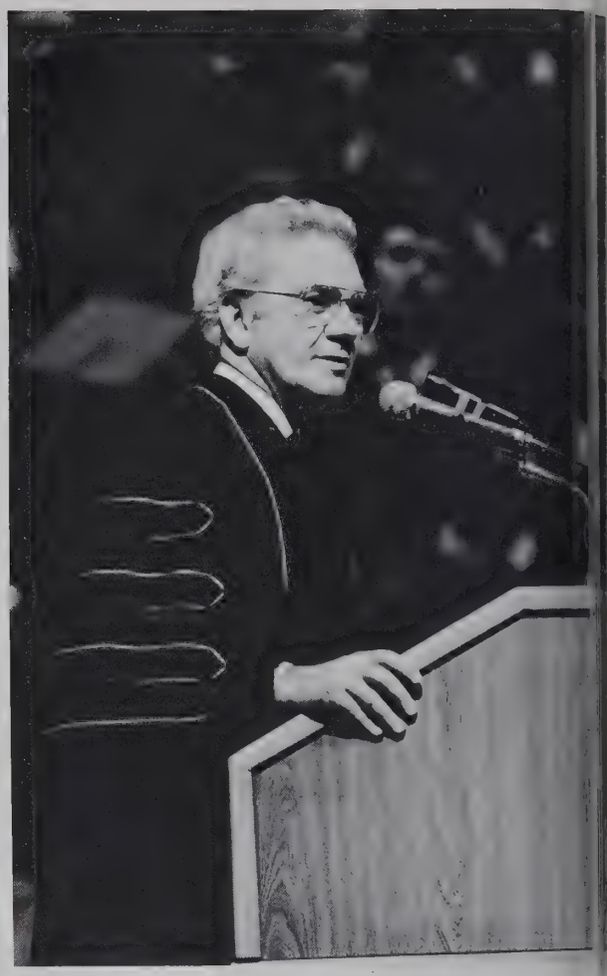
Rain...I can't believe it would rain on my graduation day. This is Illinois though, and I guess one can't expect perfect weather.

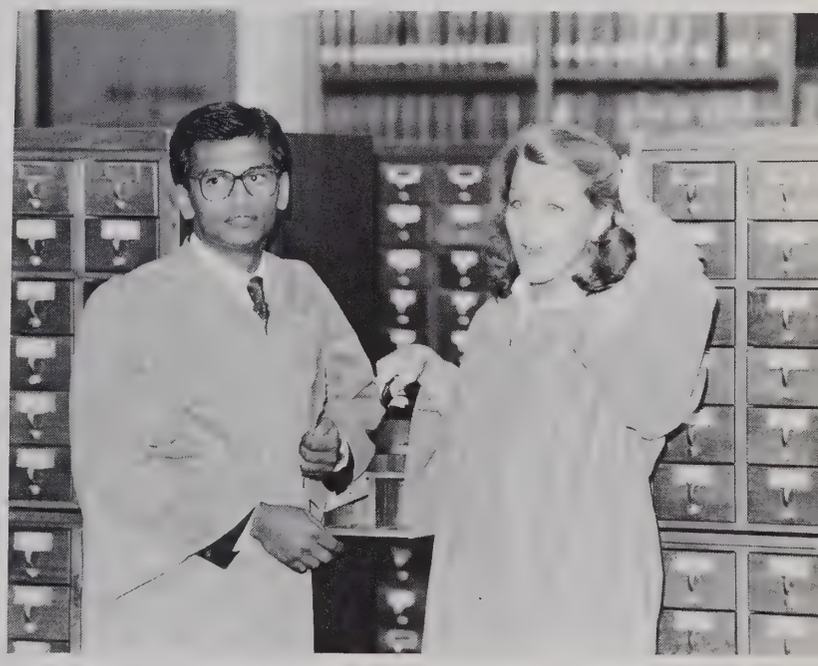
I remember thinking back to my freshman year when it was 80 below and I had an 8:00 class to get to from Fischer! Four years have flown by - I can't believe that today I was handed my degree along with 535 other people. That is, 535 peers and a countless number of moms, dads, siblings, grandparents, and friends gawking and crying and screaming our names as we proceeded to hand Dr. Chase a marble while receiving our diplomas.

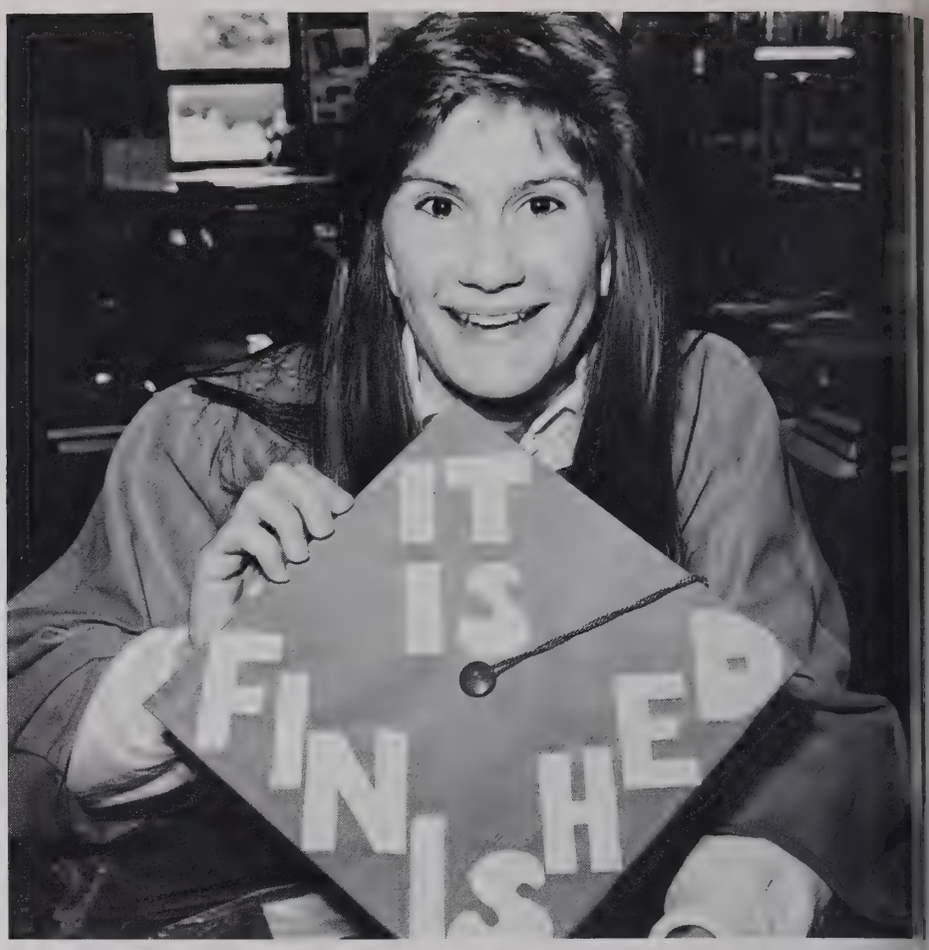
I remember searching the crowd for my dad and other '60 alums when Ken Anderson handed Dr. Chase a bottle of JOY dishwashing liquid, and announced our class gift, a renovation of the fountain, sadly termed the "Class of '60's fiasco."



MAY 18, 1986







IT
IS
FINISHED

Now it's over and all the blue gowns have disappeared, setting off to start anew once again, leaving Wheaton empty and ready for a new crop.

Chaplain Vic reminded us during the senior chapel that we were about to enter into a 'terrible, horrible, no-good, very bad world.' Well, the world out there is going to get us, good or bad; the '86 graduates are ready to face that world, we have been sheltered long enough, and we know that. We have all done a lot of growing these four years, made a lot of friends and we are leaving Wheaton with mixed feelings. It's been good and bad, but we're ready to 'lift the sails ' as we were encouraged to do during our Freshmen Orientation.

The hardest part about graduating, however, seems to be answering the ever present question, "What are you going to do now?" All I can say is "I DON'T KNOW!" Someday I will be able to return for my 25th reunion, and shock my former classmates with my many tales of travel and adventure; but right now it's time to get used to being a freshman once again, and when tomorrow comes, I'm going to be there despite the rain.

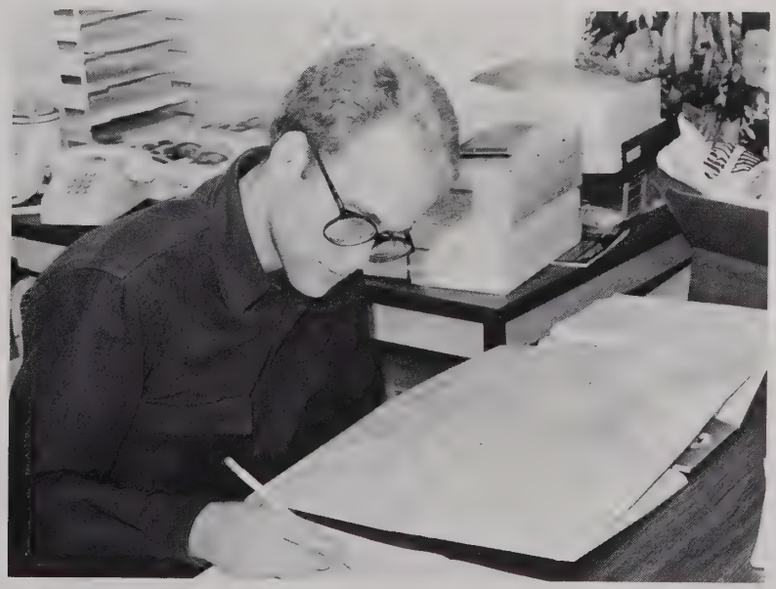
SUMMER



National City Ministries

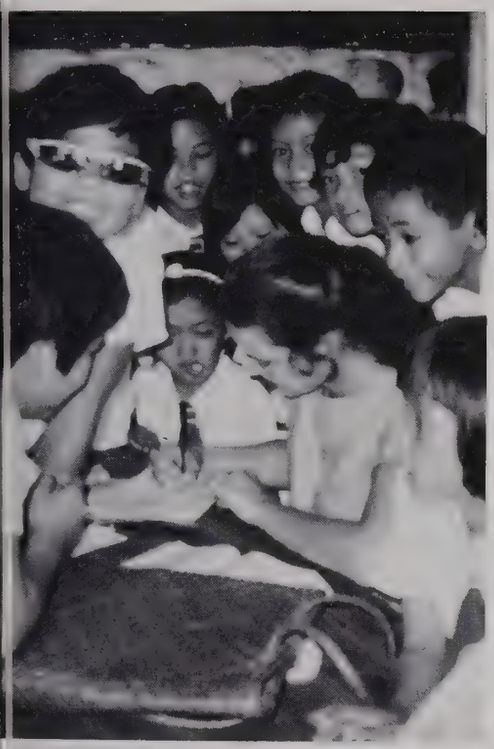
What does wholistic ministry mean? It means giving a pair of shoes to a man who has none. It means hugging a filthy child who seems unlovable. It means sharing the Gospel with a teenager being pressured by the local gang. It means a desire to reach out at all levels — physical, emotional, and spiritual — and touch the lives of others.

It was out of a desire for this type of ministry, and a burden for the many neglected and forgotten people within our country's major urban araeas, that NCM began its first year of ministry. Eighteen students were chosen and placed in four cities — Los Angeles, Chicago, Minneapolis, and New York.

Our experiences ranged from leading adult Bible studies to starting a summer grammer school. But even when we found ourselves facing different cultures, different lifestyles and different ideas, we shared a belief that God loves all people and can work through vessels even as inadequate as we.

"He defended the cause of the poor and the needy, and so all went well with him. Is this not what it means to know Me?' says the LORD." Jeremiah 22:16

— Marilyn Cowan



Student Missionary Project

None of us had any idea what was in store for us when we picked up those applications in MSC, but God knew, and prepared us for each step. Through a semester of orientation meetings, humbling requests for money, and encouraging small group Bible studies, God worked in each of us.

With a little fear and a lot of excitement we scattered to a variety of locations to a diversity of jobs: street evangelism in Europe, construction in the jungles of New Guinea, teaching English in Asia and South America, preaching in the churches of Africa. God placed challenges in our way that only He could help us meet, showing us our inadequacies and His infinite power, and allowing us to rejoice in both. Any goals we had of service and ministry soon became second in priority as we realized that our motivation for being overseas was primarily to love God and glorify Him.

Each of us can look back on our summers with fondness, because our SMP experiences didn't end upon our return to the States. God touched us in a way that will affect us for the rest of our lives — we became a little more like His Son.

— Lane McIntyre

Before leaving home to meet the rest of the team, I read a verse that Jesus addressed to Satan —'He was a murderer from the beginning, and does not stand in the truth, because there is no truth in him. Whenever he speaks a lie, he speaks from his own nature; for he is a liar and the Father of lies.' (John 8:44) This scripture took on special meaning as I saw Satan deceive people in order to rob them of life — both eternal and abundant. I didn't meet a lot of German agnostics or French existentialists — rather, the Canadian or Australian travelers who heard about God, but who held an ugly, twisted image of Him in their minds. My privilege, certainly the most enjoyable part of the summer, was to reflect Jesus through my person and work with these new friends to help them see a truthful, rather than distorted, concept of God. From there, I could pray and trust the Holy Spirit to continue His good work inside of them. Hard hearts don't crumble with one blow; it's better to chip away lovingly at the stone and hope that another Christian from another part of the world will be faithful to her task and continue the process. I am certainly not ashamed of our Lord, Jesus Christ — He is the life-giver, the one true God.

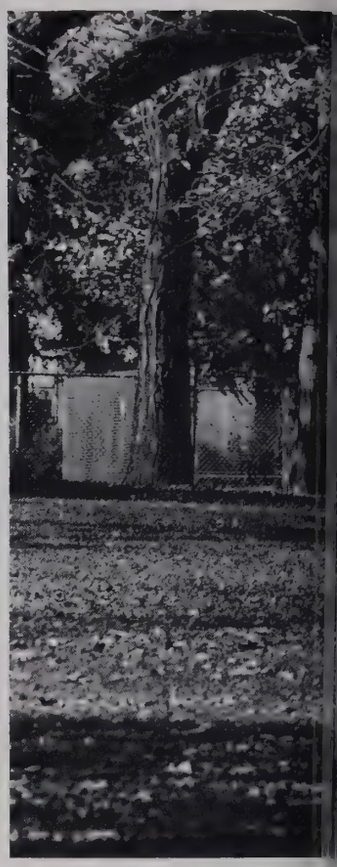
Men's Cross Country



According to Coach Larry Brown, the Wheaton Cross Country teams "capped off their most successful performance ever" during the 1985 season. The men's team, led by standouts Todd Moxley and Chris Wilson, finished ranked 4th nationally in Division III. The team's goal throughout the competition was to let Christ work through their actions and conduct in the hope that their faith would become evident to the opposition. Dealing with adversity, such as Moxley's struggle with mononucleosis and Paul Frederick's valiant recovery from a near fatal hiking accident, allowed the team to relate better to other teams which had experienced similar injuries. Despite the overwhelming depth of talent and character of this team they still showed a humble and loving attitude towards each other.

Women's Cross Country

The Women's Cross Country Team, coached by Deb Oreweiler and led by captains Kamille Hawkinson, Karmen Hawkinson, and Ginger Sullivan, ended up ranked within the top ten in the nation.

The verse for the team is Hebrews 12:1 ". . . since we have so great a crowd of witnesses surrounding us, let us lay aside every encumbrance . . . and let us run with endurance the race that is set before us."

The 1985 season was the last game for the field hockey program. The team had high expectations and goals for the season, but, as Kathy Hofstra commented, "things didn't turn out as well as we expected them to." Although their 8-9 record was disappointing for them, the team felt they had more skill than in previous years.

Coach Bert Kuechler concentrated on improving the individual skills of the players, and the team's game improved over the season. The coach also placed an emphasis on Christianity on the field. The main goal of the season, according to co-captain Cindy Green, "was to glorify God on the field." This goal was the underlying force behind their unity as a team, and it did not go unnoticed by others. Several officials, coaches and players from opposing teams commemted on the team's manners, as well as their ability.

To the team, the season was a success. Co-captain Laurie Shute summed up this feeling when she said, "The team grew because of an underlying motivation to make their last year special, and it was."

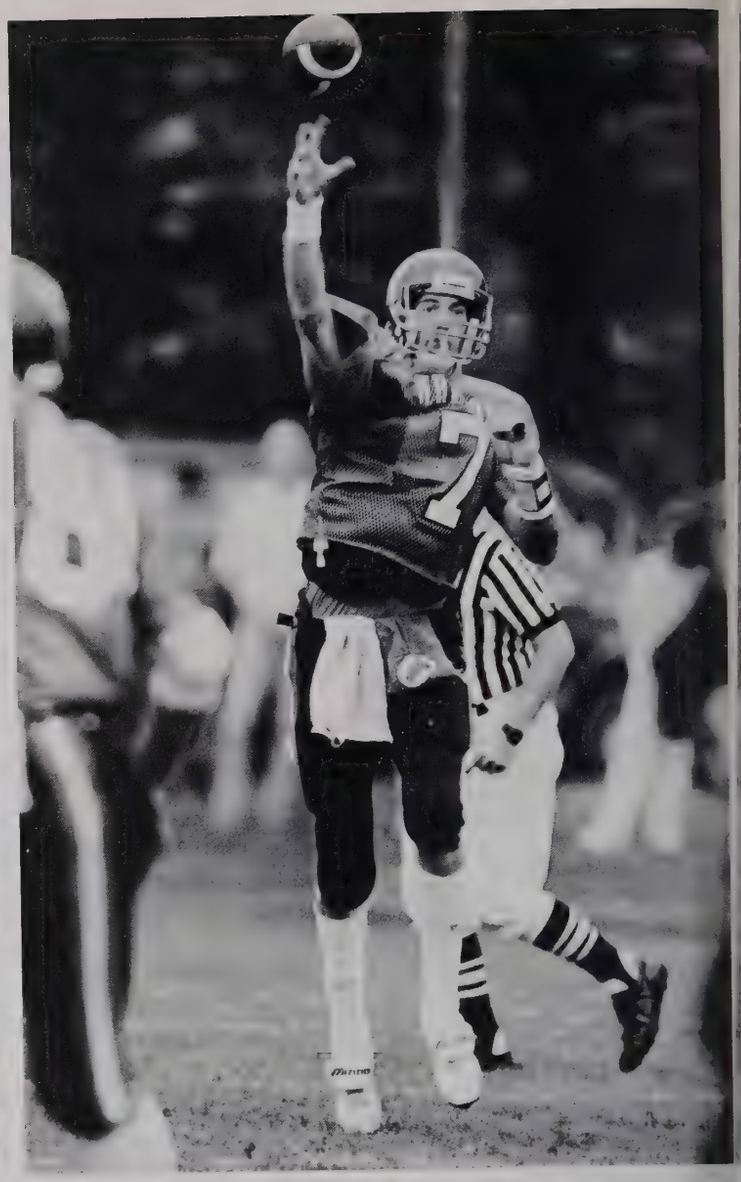
FOOTBALL



laying football is a national pastime, but Wheaton College Football Team does e than just play; they play to win. Each the team improves, playing harder and greater skill. They finished this season a 6-3 record, the same as last year, but players still felt that their skill had im- ed.

his season, the team went in with high s — mainly to win the conference title. Ediger, Junior Defensive Tackle said that were a good football team, but we en't great because we weren't consistent." team had its ups and downs, but one of highlights of the season was the defeat of urst 49-15. The reason it was such a hing defeat was that the team was con- nt — controlling the line of scrimmage offensively and defensively.

oaches and captains play a major role in uccess of the team. Everyone agrees that s been the outstanding coaching staff led oach Bishop that has brought the team to t it is today. This year's captains, Rick Fox, Seeland, and Ernie Frey provided strong ership, although Matt's injury kept him e sidelines for most of the season.

cording to Toby Tatum, Senior Running , the Crusaders Football Team has had a year. Tatum said that "adversity makes e people babies and some people men, Wheaton has 85 men."

Soccer

The 1984 Soccer Season for Wheaton was spectacular - winning the NCAA Division III Championship. The 1985 season was spectacular too, but in a different way, the players played as a team, without any superstars as in previous seasons. They did not win the National Championship this year, but as Mark McDonald put it, "our goal this season was to have fun playing with each other, becoming better than we were before, and playing for the glory of God." The general consensus is that all these goals were fulfilled.

With a winning streak of 39 games, the championship was in sight. At the beginning of the season the team played very well. They lost their intensity mid-season, but still won the games. However, when they entered the playoffs, they were at their peak. The most important game of the season was the defeat of Northern Illinois University 2-0. This defeat of a Division I team gave confidence to the team, helping them to further success - winning the Rochester Tournament in New York. Although they lost during the playoffs, perhaps their best game was against Washington.

The strongest point for the team this season was their great team spirit and unity. They encouraged and pushed each other all the time. Their skill was perhaps not as great as it had been in previous years, but the Captains, Ed Meadors, Dave Wolf, and Tom Engstrom, and the coaching staff led by Coach Bean provided strong leadership throughout the season. Cam Roxburgh felt that this was "the highest group of guys I've ever experienced on a team."

Tri-captain Ed Meadors remembers his days on the Wheaton Soccer Team with affection. "The 1985 Wheaton Soccer Team was a unit. We practiced and worked as a team, we won and lost as a team. Though we lost our final game, I will always remember my teammates as winners."

Women's Volleyball

The Women's Volleyball Team had a mixed season. They started off very well, taking second place in their opening tournament, the Wheaton Invitational. Halfway through the season they began to lose games, ending with an 18-20 record. To end the season, they attended the Chicago Metro Conference Tournament, where they were placed fourth. Judy Imes made the All-Conference Team and Lori Zeimer received an honorable mention.

WRESTLING

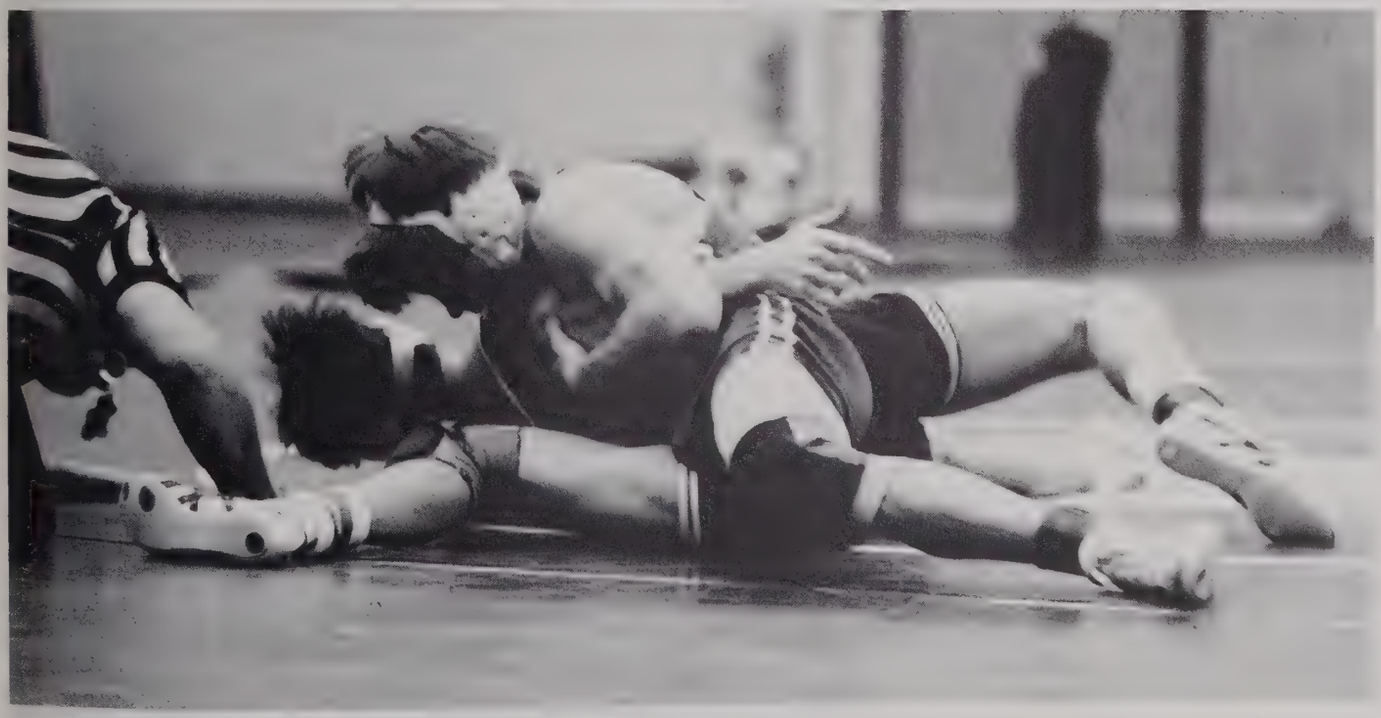
When the 1985-86 Crusader Wrestlers stepped into the Practice Room for the first time of the season, it was obvious that this group of wrestlers possessed an abundant amount of raw potential, and showed all the signs of a championship team.

Throughout the season, however, for an assortment of reasons, that original block of talent began to be slowly whittled down. Although not as powerful as once thought, the Crusaders were still a formidable force with which to be reckoned.

On February 8th, Coach Pete Wilson gathered his top athletes and headed to the Conference Championships. In the finals Wheaton had wrestlers in eight out of the ten weight classes. Unfortunately, the crusaders fell one match short of winning the championship, taking second place to perennial Augustana.

The individual champions, Steve McKenzie, Mark Macy, (team captain) and Dan Albinson, were qualified for the NCAA National tournament in New Jersey. An altogether fine showing by the team - good job, wrestlers!

— Mark Macy



Women's Soccer

The 1985 Women's Soccer Club was disappointed once again when they failed to receive Varsity status. Captain Kathy Brooks led the team of ten returning and five new players into another season. The team got off to a slow start, but they never gave up. A swift front line and a strong defense characterized the club, but the security of an experienced goalie was lacking. They ended their season with decisive victories against some stiff competition. Perseverence and determination carried them through the season to a 6-7 record.

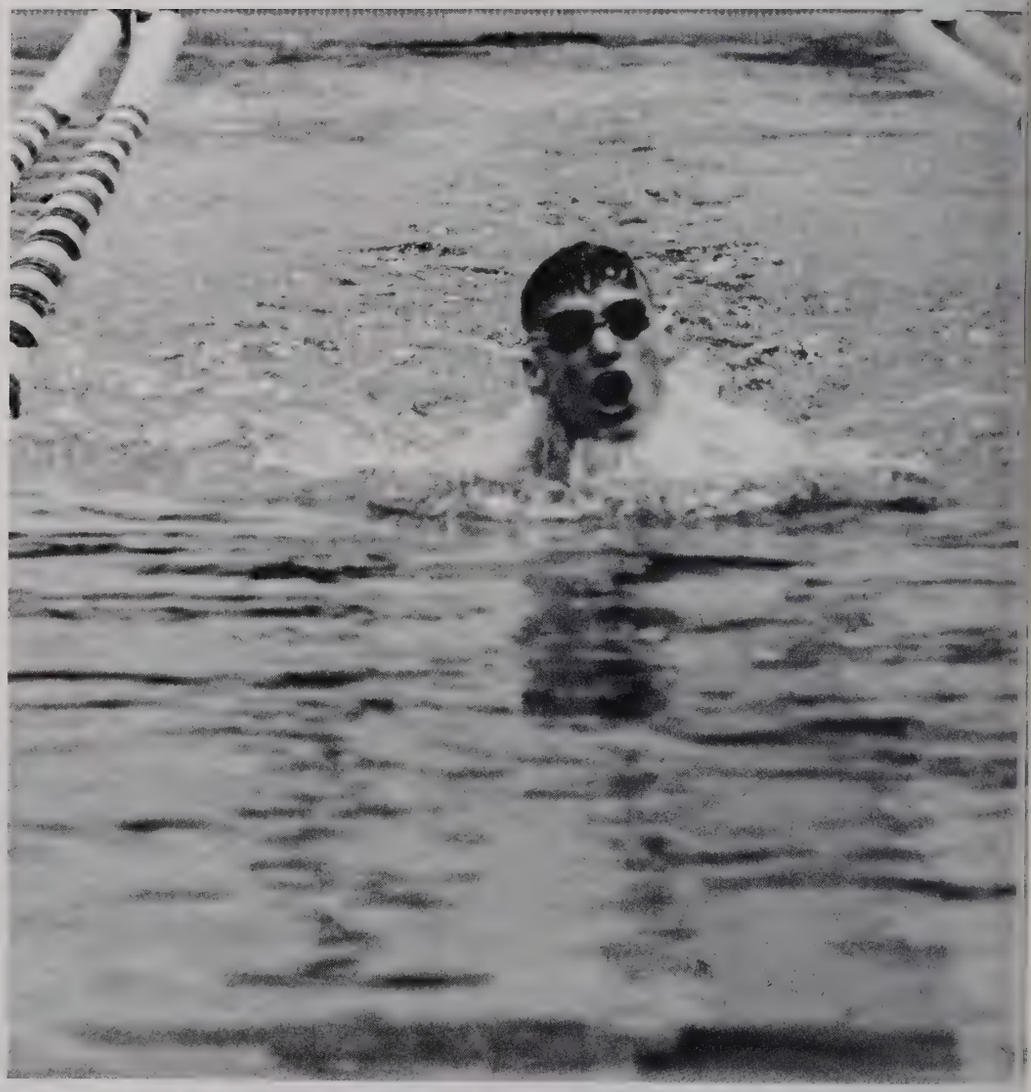
Men's Swimmin



The Men's Swim Team had an exceptional year. Numerous victories were led by eleven seniors. Coach Jon Lederhouse commented "It's going to take an awesome freshman class next year to replace them."

The team finished with a 5-0 dual record and managed to capture first place in the Illinois Area Championships for the third year in a row. They also won the Illinois Intercollegiates Division III title and soared to victory in the College Conference of Illinois and Wisconsin. Led by assistant coach Don Holwerda and co-captains Chip Edgar and Carl Seeland, the team continued their excellent record by finishing tenth of sixty teams at the NCAA Division III Championships.

Six of the team members became NCAA Division III All-Americans: Steve King, Rob O'Dell, Lyndon Perry, John Shank, Mark Van Ness, and Steve Wiper.

Women's Swimming

The Women's Swim Team finished the season with a dual meet record of 3-2. The season consisted of a number of very competitive meets in which the women did exceptionally well.

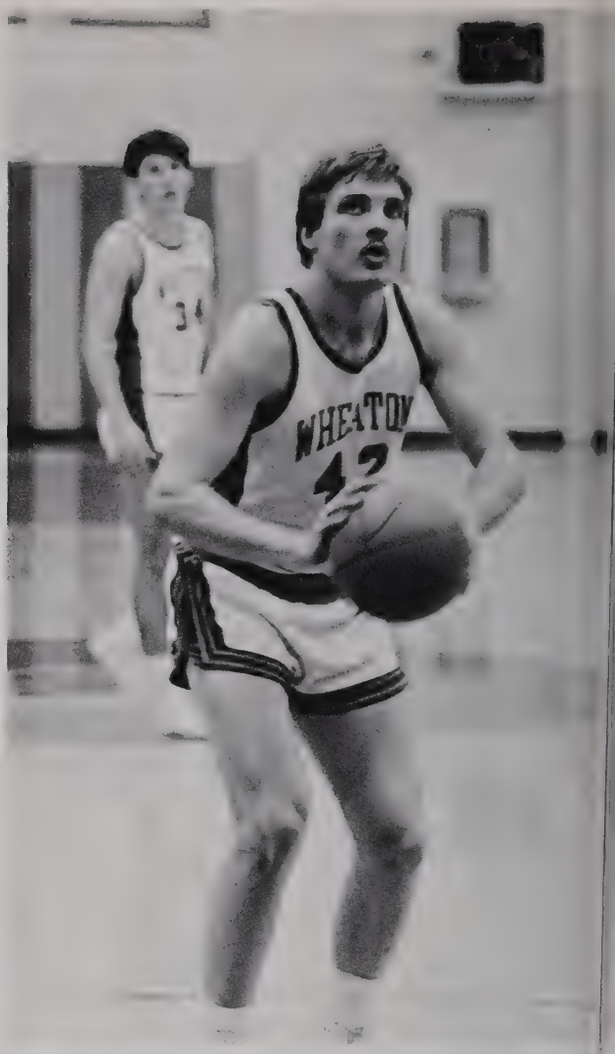
The women took two first place titles, one at the Chicago Metro Conference. They have held this title for four years. They took second place at the Illinois Area Championships, losing by a narrow margin to a "very strong University of Wisconsin-Milwaukee team." At the NCAA III Championships, the team, led by Coach Jon Lederhouse, assisted by Robyn Borleis and co-captains Linda Chambers and Jill Cicero, finished 16th of 70 teams.

There were five women who qualified as NCAA Division III All-Americans: Linda Chambers, Kathy Erickson, Holly Flickinger, Melody Hopkins, Lori Marion. Those who did not make the All-Americans "made good personal improvements" according to Coach Lederhouse.

— Stephen Maybee

First Row: Kathy Quinn. 2nd: Amy Weinstein, Head Coach Jon Lederhouse, Cheri Dickson. 3rd: Assistant Coach Robyn Borleis, Kathy Erickson, Linda Chambers, Jennifer Woyke, Alyson Adams, Becky Winterholter, Leigh Vosler, Assistant Coach Don Holwerda. 4th: Lori Marion, Astrid Richard, Melody Hopkins, Becky Van Ness, Lynn Tenniswood. 5th: Holly Flickinger, Karen Eckberg, Carrie Gibson, Tami Fisk. 6th: Kelly Ryan, Martha White, Jill Cicero, Debbie Boerlin, Sandy Ribbe.

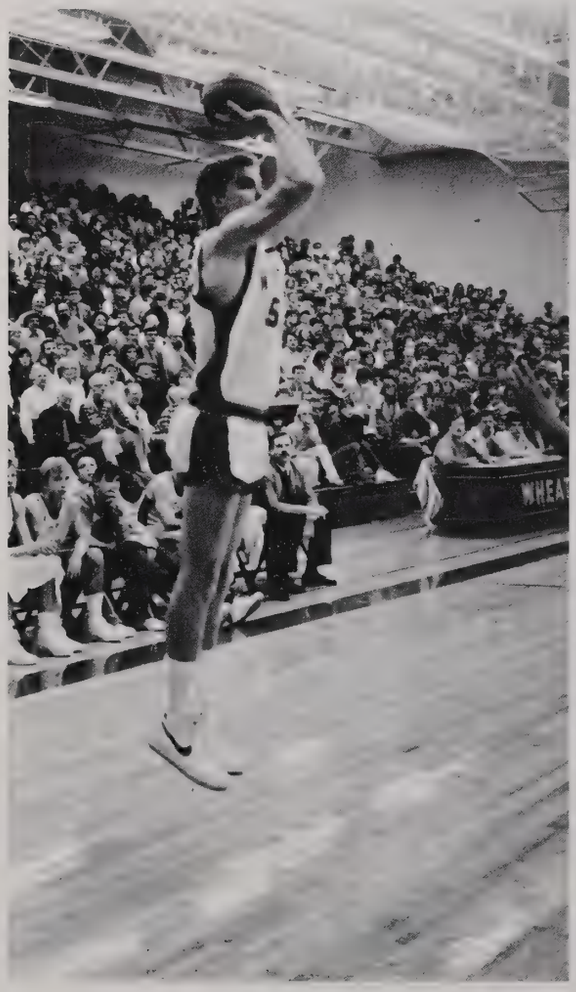
Men's Basketball

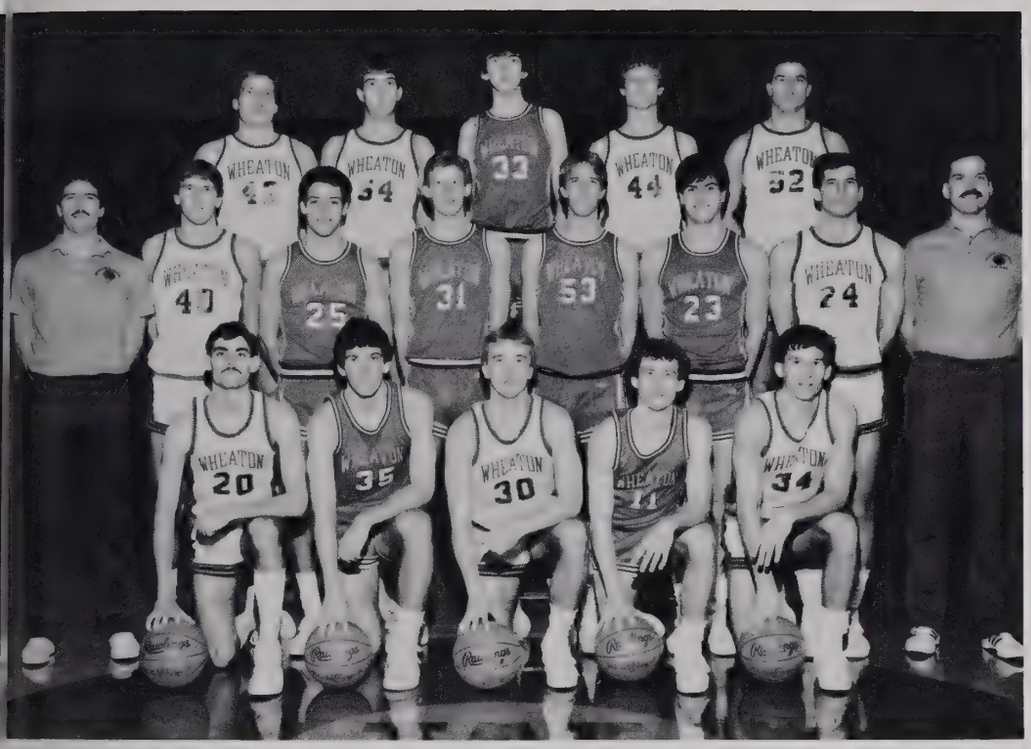


The 1985-86 Crusader Basketball Team made a turnaround from the 1983-84 season. This year's record was 9-7 in conference and 14-12 overall, missing 3rd place by just one game. The North Park and Augustana games were the two highlights of the season. North Park was designated Beach Night. The gym was packed by an enthusiastic crowd despite a tough loss of 65-58. However, revenge was taken on Augustana, who had defeated the Crusaders earlier in the season. Two losses were particularly disappointing: the championship game of the Franklin Christmas Tournament, and the overtime loss at North Central. Donn Nelson was selected on the 1st team All-Conference squad, but was not elected by the coaches as CCIW player of the year. Nelson was named All-American in the Midwest District National Association of Basketball Coaches' Poll.

Beating tough opponents with their fast break style, the Junior Varsity had a 13-6 record. Coach Bill Harbeck has provided strong leadership, and a creative and energetic style developing a program that aims to be like the Wheaton Basketball of old, when winning was a tradition.

— Jeff Killough





First Row: Paul Ledbetter, Paul Sweatman, Ben James, Court Airhart, Greg Trapp. 2nd: Coach Bill Harbeck, Todd Reisler, Boyd Coolman, Keith Thomas, Tim Lindquist, Dave Ochs, Dave Jeck, Coach Scott Fleming. 3rd: Donn Nelson, Dave Jackson, Dave Little, Rob Willey, Jeff Killough.

Women's Basketball

Although the women's basketball team of 1985-1986 earned a winning record, they also experienced a frustrating season. They had exciting victories over Augustana and Milliken - both top-ranked teams in the NCAA III. These high points were a contrast to the heart-breaking losing streak mid-season. The women dropped four games in a row by a total of only five points. Their final record was 14-8.

The team retained the depth of talent from returning members - senior co-captains Sunnie Kemp and Chris Nelson who led the team in scoring and rebounding. Kemp set thirteen records in the women's department and scored 1796 points of her career at Wheaton. Nelson scored 434 points in just two years with the Crusaders. Both were named to the all-CMC conference team. The team was rounded out by the strong talent of their new freshmen and transfer recruits.

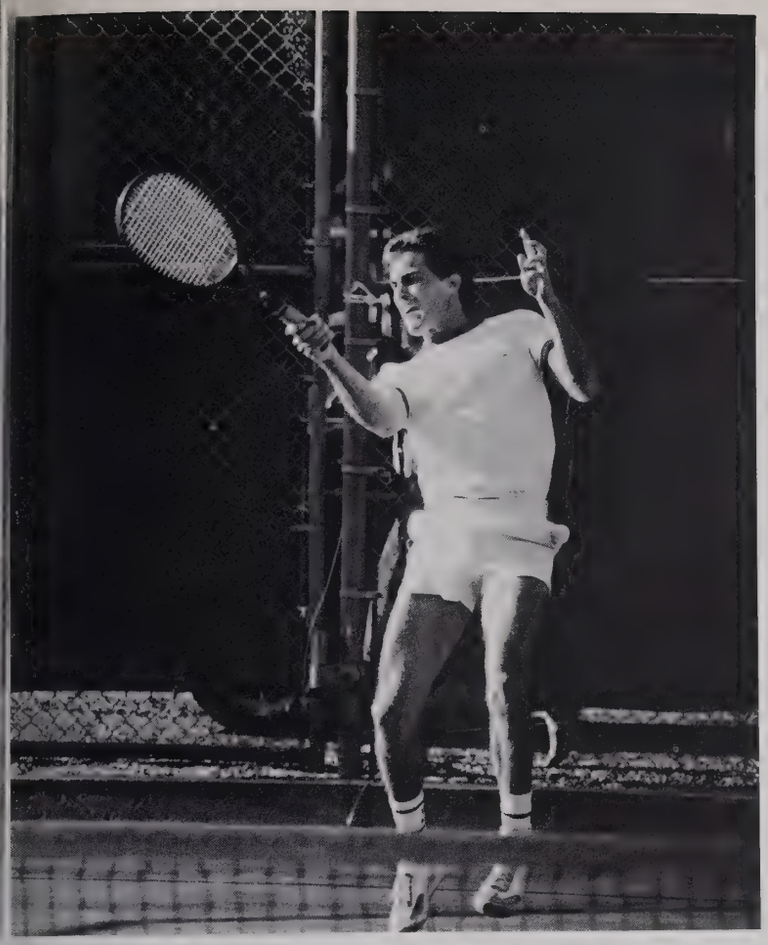
The Women's Tennis team took first place at the fall Chicago Metro Conference bringing home 74 of 81 points possible. The team as a whole did an awesome job! "We really pulled together as a team at Conference," said captain Kathy McCalla, "even though tennis is an individual sport."

Claudia Bessey was the number one singles player this year and took first place at the Luther Invitational. She had an undefeated season and qualified for Nationals. At Nationals Claudia played to the semi-finals placing her in the top 4 players in the nation.

Scott Nesbit, the coach for the second year, emphasized practising hard and doing the best for the Lord. He did an excellent job in encouraging and unifying the girls. The team is young, and will lose only one senior. They have a lot of potential and high expectations for next year.

"You did a great job — treat yourself to the Whippy Dippy."

— Jane Siple



TENNIS

The Men's Tennis Team had a good season this year with an overall record of 15-2. Coach Vince Pierrotti captured the talent of his players and formed a winning team. At the CCIW Championship, the team cleaned up, winning all 9 flights of the tournament. They brought home 27 points tying the CCIW record for the most points in a championship.

Jon Burnham, the number one singles, ended his season 19-1. Jon is ranked fourth nationally and qualified for Nationals. While at Nationals Jon made it to the quarter finals, placing him in the top 8 of the nation. Russ Polander teamed up with Jon for the number one doubles this year. They ranked seventh in the nation and made it through the first round in Nationals. This was definitely another good year for men's tennis.

The Women's Softball Team enjoyed an exciting season and a spectacular finish. They earned the highest marks of any team in the history of women's softball at Wheaton. Finishing 13-10 overall, they went 6-3 in the conference. Both of these were record setters. The team finished third in the conference and narrowly missed the semi-final in post-season play.

Team captains Cindy Green and Carol Sellars helped build team unity and spirit, and Coach Hillman kept the women playing good, solid ball. Jamie Trapp and April Upchurch were voted to the All-Tournament team for the conference tournament. The women enjoyed each other's company, and they were enthusiastic about this season and it's outcome.

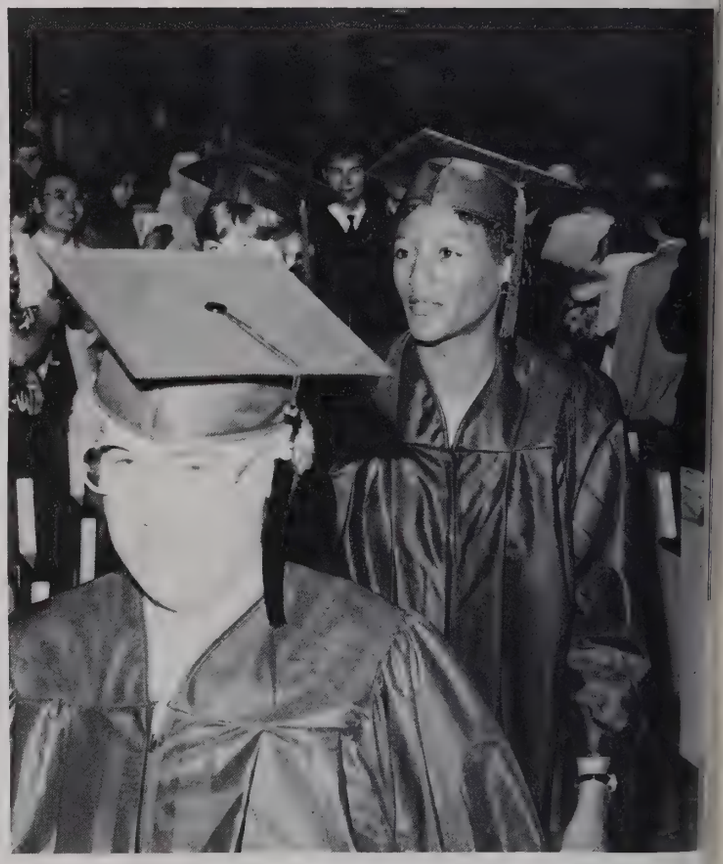
GRADUATION

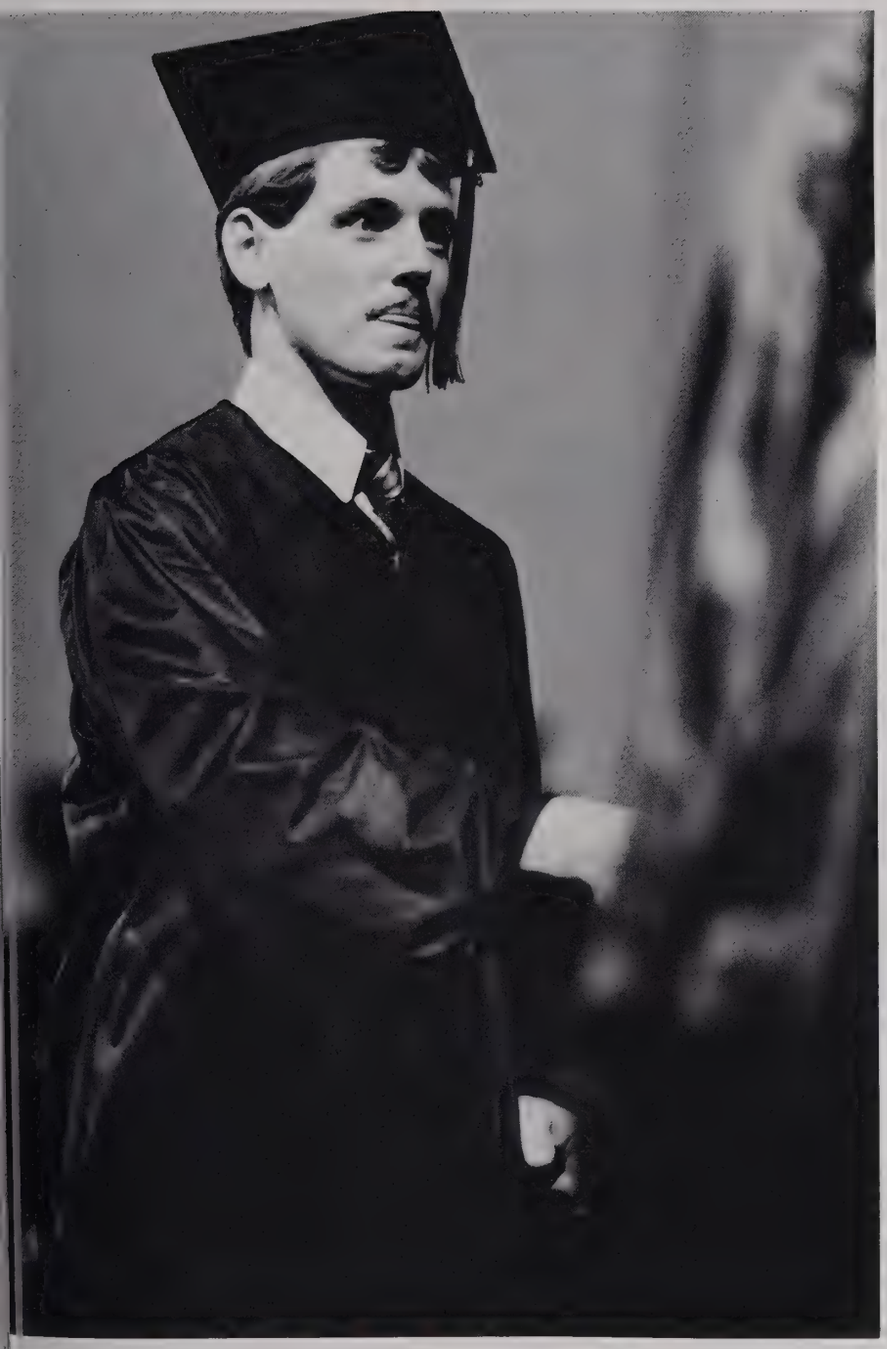
The Commencement Ceremony for the Graduate Students of Wheaton College was held on May 17 at 3:00 in Edman Chapel. Many relatives and friends gathered to acknowledge the accomplishments of those receiving their Master of Arts Degrees. The ringing of the Tower Bell began the procession of the 165 graduating students. This was followed by the singing of the National Anthem, the invocation, given by Dr. John Stackhouse, and the singing of "Give Thanks to God on High."

President Chase welcomed those in attendance and introduced Dr. Ernest Boyer, President of the Carnegie Foundation for the Advancement of Teaching, as the Commencement guest speaker. Dr. Boyer is a strong supporter of Christian Higher Education and currently serves as a trustee at Messiah College.

Following the conferring of the degrees and the prayer of commitment, President Chase presented the graduates with their Master of Arts Degrees and Dr. Walter Elwell then proceeded in placing the traditional masters hoods upon the students.

The ceremony concluded as the Alma Mater was sung and the benediction was given by Dr. John McRay.





Life is culminating right before my very eyes. Grad school is over, two years accomplished when it seems like just yesterday I decided to go for more schooling. I've passed the time when "Bachelor's Degree" was the highest credential I could give.

I received the Master's hood as I was given my distinguished degree, and was flooded with emotion. Exhileration, celebration ... the obvious feelings that accompany a successful completion filled the air, but there was more. Graduation was a time for reflection and reminiscing, as parents and friends gathered, and I relinquished my life as a student once again.

For our remarkable son who has filled our lives with joy, we would offer this special prayer from the pen of Amy Carmichael:

O Lord, we bring Thee for whom we pray,
Be Thou his strength, his courage, and his stay,
And should his faith flag as he runs the race,
Show him again the vision of Thy face.

Be Thou his vision, Lord of Calvary,
Hold him to follow, hold him fast by Thee
O Thou who art more near to us than air,
Let him not miss Thee, ever, anywhere.

You have been a joy to your parents and an excellent example for your brother. We are so glad you are ours.

Heed the words of this song and God will surely bless you.

Yield not unto temptation,
for yielding is sin.
Each victory will help you
some other to win.
Fight manfully onward,
dark passions subdue.
Look ever to Jesus,
He'll carry you through.

Shun evil companions,
bad language disdain.
God's name hold in reverence,
nor take it in vain.
Be thoughtful and earnest,
kind — hearted and true.
Look ever to Jesus,
He'll carry you through.

To him that overcometh,
God giveth a crown.
Through faith we will conquer,
tho often cast down.
He who is our savior,
our strength will renew.
Look ever to Jesus,
He'll carry you through.

Dearest Susan

We're thankful God chose us to be the parents of a lovely young lady. What a joy to witness your accomplishments, and see God's hand in each step of your life, as you progress to become the person God wants you to be. May the Lord bless and keep you and all whom your life touches. Always remember:

Proverbs 11:30 "... he that winneth souls is wise."

Continue to wait upon the Lord as He unfolds His plan for your life. May God grant you His special wisdom each day, as you live and work for Him. It is our hope that you always cherish Jesus above all others; remember to:

Matthew 6:19,20,21,33
"Lay not up for yourself treasures upon earth ... but lay up for yourself treasures in heaven ... for where your treasure is, there will your heart be also ... But seek ye first the kingdom of God, and His righteousness, and all these things shall be added unto you."

Congratulations on this important milestone in your life. May your life continue to be filled with the special joys and happiness that comes from serving the Lord, and living out His plan for your life. Every person has a complete and perfect plan cherished for him in the heart of God.

Psalm 90:12
"So teach us to number our days, that we may apply our hearts unto wisdom."

Make each of your possible 29,200 days on this earth count for God's Kingdom. We pray that God will continue to bless you with all the spiritual blessings in Christ Jesus.
Our earnest prayer is that you always:

Colossians 3:2
"Set your affections on things above, not on things on the earth."
and
Mark 16:15
"Go ye into all the world, and preach the gospel to every creature."

Our heartfelt prayers, love, and hopes are with you always. From your extremely proud Mother and Father
We love you Susan. God's richest blessings always —

A body has no spare parts.

In Romans 12 and 1 Corinthians 12, Paul writes that we are all parts of Christ's body. And each of us has a calling—a unique role to play in God's plan. We're dependent on each other, too, just as our bodies depend on our eyes for sight, and our ears for hearing.

The education you have received has helped prepare you for a life of service, whether as a full-time Christian worker, or in business, education, or industry. You share in an urgent task. A hurting, hungry, dying world needs the very thing you have to give.

We at World Wide Pictures, the Billy Graham Film Ministry, want to assure you of our prayers. We ask God to lead you, to support you, to give you strength to serve.

You don't punch out when you graduate. You punch in. Because you're not the spare part. The body—the fellowship of Christ's followers—needs you.

It's been a year of experiencing the unknown. In the world, there have been several airplane hijacks, crashes, the shuttle explosion, the Mexico City earthquake, Khadafi's attacks, the American retaliation ... 1985-86 will not be easily forgotten.

Try looking at the world around you with different eyes. Let the visual images of TOWER soak in. Remember those campus issues? The questioning of the pledge (the Swinefest), the realistic and thought — provoking selections of movies, the construction of the Blanchard Plaza, and the reconstruction of Blanchard Hall, the issue of administrative communication with students and faculty/staff, especially in the resignation of Dr. Bragg, and the effort to bridge cultures, bringing us to world awareness ....

The editor's task is not simple. Together with Becky and Steve, I learnt more about communicating, and about people. This yearbook is about people, the little people and the big people. And it's hard to decide who the important people are, that they should be in the yearbook. I make no apologies, just enjoy and remember the year of '85-'86.

Life would be boring without people. Thank you,

Becky and Steve —— for your insistence on communication, and creative ideas
Rhona and Becky Wertz —— you were Godsends, and your commitment invaluable
Mo —— you gave me faith in our immense task
the SG and RECORD telephone operators —— who always sought Steve out for us,
Jonathan —— you're a financial wiz

and especially to Kim —— for your support, love and encouragement, I can only return mine
Thanks also to Tim, Dr. Nelson, Dr. Baumgaertner, the TOWER staff for your time and energy, and to those many unnamed Wheaties —— you give Wheaton its identity.
